

ANNUAL  
REPORT  
AWARD

# THE GRAIG GAZETTE

THE GRAIG COMPREHENSIVE SCHOOL, PWLL, LLANELLI, DYFED  
MAY, 1992

## A Pat on the Back ...

"A good read" - that's the verdict. Pupils read "The Graig Gazette" with School Secretary, Mrs Alyson Griffiths, and Gazette Co-ordinator, Mr W Noel Rees, Headteacher Mr Phillip Wrentmore and Teacher-Governors Mr Meirion Rees and Mr Eric Lewis.

Picture courtesy of "The South Wales Evening Post"

"Self-glorification is no recommendation", so the saying goes. But for once perhaps "The Graig Gazette" can give itself a pat on the back. Because, according to "The Times Educational Supplement," we're top of the class when it comes to keeping parents informed of what's happening in our school.

"The Graig Gazette" gets top marks in Wales for being the best way of presenting the "Governors' Annual Report" and the issue submitted to the "Times Educational Supplement" was last October's. School Governors are required by law to keep parents informed of what is happening in schools.

"The Times Educational Supplement" launched the awards last year after discoveries that reports in general were dull and meetings with parents poorly attended.

But judges found a winning format when they saw the school's newspaper-style report - "The Graig Gazette".

"The Graig Gazette" hits the streets three times a year and includes a run-down of the School's academic successes and term highlights as well as an up-to-minute report by the governors.

This "comprehensive coverage, clarity of information and concise and direct style" helped us to scoop the "Times Educational Supplement Award for the Gazette". On top of this page you can see the Award's Logo which we are now allowed to use on our issues.

And what is more, Graig School is the only school in Wales to receive the award.

The judges obviously recognised the tremendous direct means of communication between governors and parents in an attractive form with visual interest too.

A thousand copies of each issue are distributed free to all pupils and friends of the school including the National Library of Wales at Aberystwyth.

We hope you enjoy this issue of "The Graig Gazette" and that, having read it, you will pass it on to another interested reader.

## Nicola's the "Star" Attraction ...

From "Graig Gazette" to "Llanelli Star" to "Le Petit Bleu". Nicola Trow prepares to work on Agen's local paper.

Picture courtesy of the "Llanelli Star"

Graig Sixth-Former Nicola Trow has just returned from Llanelli's twin-town in France, Agen, where she spent a fortnight's work experience at Agen's local newspaper.

"Gazette" reporter Nicola was given this wonderful opportunity by the generous Sponsorship of the "Llanelli Star" who set up and paid for the exchange. Whilst at Agen, Nicola worked on a similar paper to the "Llanelli Star" which is called "Le Petit Bleu". Nicola says it was a wonderful opportunity for her to practice her 'A' level conversational French as well as gaining the experience of accompanying journalists on their stories.

She saw a great deal of Llanelli's twin town. Some of her most enjoyable sorties were to visit the local magistrates court, the local lycée technique and a new Theme Park which has opened just recently.

Everyone was most hospitable to her and made her feel very much at home, thus ensuring a very memorable and worthwhile experience for Nicola.

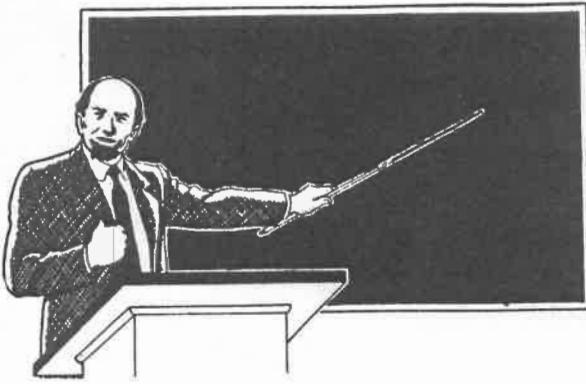

## Looking Ahead ...

Tues, May 12th	Year 9 Parents' Evening
Thurs May 14th	G.C.S.E. examinations begin
Mon, May 18th	'A' level examinations begin
Tues, May 19th	Year 10 Parents' Evening
Mon-Fri, May 25th-29th	HALF-TERM HOLIDAY
Mon-Fri, June 8th-12th	Years 7, 8 and 9 examinations
Wed-Fri, June 17th-26th	Year 12 Examinations
Friday, June 26th	Parents' Association Fun-Run
Thursday, July 9th	"Summer Serenade" 7.30 pm
Wed, July 15th	END OF TERM
Thurs, August 20th	'A' Level Results
Thurs, August 27th	GCSE Results
Thurs, Sept 3rd	START OF NEW TERM
Mon-Fri, Oct 26th-30th	HALF-TERM HOLIDAY

For the "GRAIG GAZETTE"  
Co-ordinator: MR. W NOEL REES  
Typist: MRS ALYSON GRIFFITHS  
Titles: MR EDWARD SKINNER

## Headteacher's Message ...

Last year, Mr Dafydd Smith reminded us that any progress in raising educational standards depends upon effective contributions from pupils, parents and teachers working in partnership. This partnership in Graig School is based upon a solid foundation created over many years and, despite changes in personnel and in the leadership of the school, the partnership continues to flourish.

Here at Graig School, we have endeavoured not to allow the pressure of re-organisation (and there is unique pressure on the staff of Graig School) to diminish the quality of education provided for our pupils.

Whilst considering the issue of re-organisation, it would be remiss of me not to refer to the plans for the establishment of Llanelli College on this site from September 1993. Official approval for the scheme has been granted by the Welsh Office. Speculation must cease and it is now the considerable task of all involved to ensure that Llanelli has a college of which it can, justifiably, be proud and which will serve the needs of all its post-16 students. Additionally, it will be the concern of governors and staff of Graig school that, during the transition period of '93 - '97, its pupils are not, in any way, disadvantaged rather, that they benefit from and have access to additional facilities which will be provided on this site.

Schools have been providing education successfully over many decades - maintaining standards and providing quality education. If Education is such an important issue, then it deserves to be unaffected by changes in the political climate of the country.

But, at the present time it is affected and one of the current trends is to try to measure the output of the education system. A government's intention should be to assist parents in choosing schools for their children and to increase public awareness of the quality of the education provided and the educational standards achieved. To this end, we 'league tables' which, supposedly, will convey the information parents need to make an informed choice.

But such information, at best, is misleading and misses what surely is the essence of our education system. We are not dealing with a product to be processed and packaged: we are dealing with the lives of individuals and of providing a basis for the very lengthy learning process of life itself.

I intend, briefly, to indicate some of the flaws associated with 'league tables' and to highlight values which are still an important part of the education provided at Graig School.

British schools have been required to publish their public examination results for over a decade. But now we are to have 'league tables'. The questions I pose are: how will such information enable us to say, with assurance, that one school is better than another, or better or worse than it used to be? How can this information be used and not abused?

Of course, examination results are important and, as teachers, we would be failing in our duty if we did not stress their importance. But raw data has to be interpreted with great caution. Perhaps it has escaped the notice of some politicians that the major factor in the differences between schools is that the children in them are different. Then there are many other factors which influence results: pupil attendance, parental support, neighbourhood and social conditions and, not least, the level and character of local employment opportunities.

However, some realism is being brought to bear on this issue. What is beyond dispute is that schools help pupils make progress and what is important is the concept of 'added value' in the broad educational experience of each individual.

We have just celebrated the 200th birthday of the "father of electricity" - Michael Faraday, who rose from very humble origins to become one of the greatest scientists in history - he certainly has had a marked effect on our everyday lives.

We have a great deal to learn from this man who held such a deep reverence for the world in which he lived and for the God who created it. Many of us may have seen the Christmas lectures from the Royal Institution in London where Faraday was once the director. He is well-known for his publication of "The Chemical History of a Candle" and his discourses ended with him challenging his young audience, "You may, in your generation, be fit to compare to a candle; that you may, like it, shine as lights to those about you; that in all your actions, you may justify its beauty by making your deeds honourable and effectual in the discharge of your duty to your fellow - men".

That, is perhaps the true meaning of the 'added value' of education: something which cannot be indicated by any league table but something for which each one of us should strive.

## Kings (and Queens) of the Road ...

Graig School won the Llanelli Borough 'Road Safety Quiz' on Tuesday, February 11th. Held at Llanelli Town Hall, the winning team consisted of four Sixth Form students: Conrad Rees, Philip Esney, Nicola Trow and Faith Thomas. Also pictured is Head of Graig Sixth Form, Mrs Rosemary Williams. The Quiz was organised by the Dyfed County Council Highways and Transportation Committee. The first prize of a hundred pounds and the Challenge Shield were presented to Graig School by Councillor G J Jones.

Picture courtesy of the 'Llanelli Star'

## Eisteddfod Success ...

On Friday 28th February, the Graig School held its Eisteddfod to celebrate St David's Day on March 1st. Many events were held including singing competitions, disco dancing competitions, recitations, Choral competitions in English and Welsh, and many other activities! Years 7, 8 and 9 took part in the Eisteddfod and intense but good-humoured competition prevailed throughout the day. Year 7 was victorious and our congratulations go to them.

Two former teachers returned to the school to judge the proceedings - Miss Bethan Clement, ex-head of the Welsh Department, and Mr Dafydd Smith, our previous Headmaster. The day turned out to be an all-round success for those involved and a special "Thank you" to the Welsh Department for all the hard work they had contributed to the day.

The Eisteddfod proved to be a successful and enjoyable experience to celebrate St David's Day and one of which our Patron Saint would have been proud.

## Ymlaen Graig ...

Saturday March 14th saw the beginning of the First Round of the Urdd Eisteddfod competitions, held at Ysgol Gyfun Y Strade. The Graig entered a variety of competitions and the results were as follows:- Individual Recitation for learners - 1st Joanne Harding - Graig. Piano Solo - 1st Sian Thomas, 2nd Bethan Thomas - Graig School. Individual Disco Dancing - 1st Louise Charles - Graig School. Group Disco Dancing - 1st Graig Comprehensive School. Recitation Party for learners - 3rd Graig School.

All the winners will go forward to represent Llanelli in the County Eisteddfod held at the end of the month. Llongyfarchiadau!

## Pointers ...

### Teaching Points ... Oxford Dons ...

On Tuesday 10th March, five pupils from Graig School who are interested in Teaching as a career, attended a Sixth Form Conference at Trinity College Carmarthen. The pupils were Wayne Evans, Sharon Jones, Michelle Matthews, Lee Sweetman and Anna Williams. About 250 pupils attended and they were divided into groups of five. Each group had three third year students from the college to escort them around Trinity College and to each lecture. The first lecture was very useful to language students as it featured satellites and groups watched some French programmes, which had been recorded from a satellite. One of the most popular lectures of the day was when groups watched a class of ten to eleven year old children working in the model classroom. Even though they could not see the spectators, it was obvious that they were aware of both their presence and the video cameras recording them because of their surprisingly good behaviour! After lunch a tour of the college followed. All pupils had an enjoyable and an informative day on aspects of Teaching as a career.

### Theatre Visit ...

Years 10 and 11 visited the Sherman Theatre, Cardiff, on Thursday, April 2nd to see a production of the GCSE set text "The Glass Menagerie" by Tennessee Williams. Presented by the Orbit Theatre Company, the play was staged "in-the-round" and was a competent interpretation of the work. Mrs J Watson and Mr W Noel Rees accompanied the pupils. Well done, Simon!

At the end of March a small group of Sixth Form Pupils, accompanied by Mr and Mrs Edward Ephgrave, attended the Open Day at Regent's College, Oxford. A day of substantial benefit to pupils intending to apply to Oxford University, this year Graig School has a possible five candidates for the Oxbridge Entrance Examination. Good Luck!

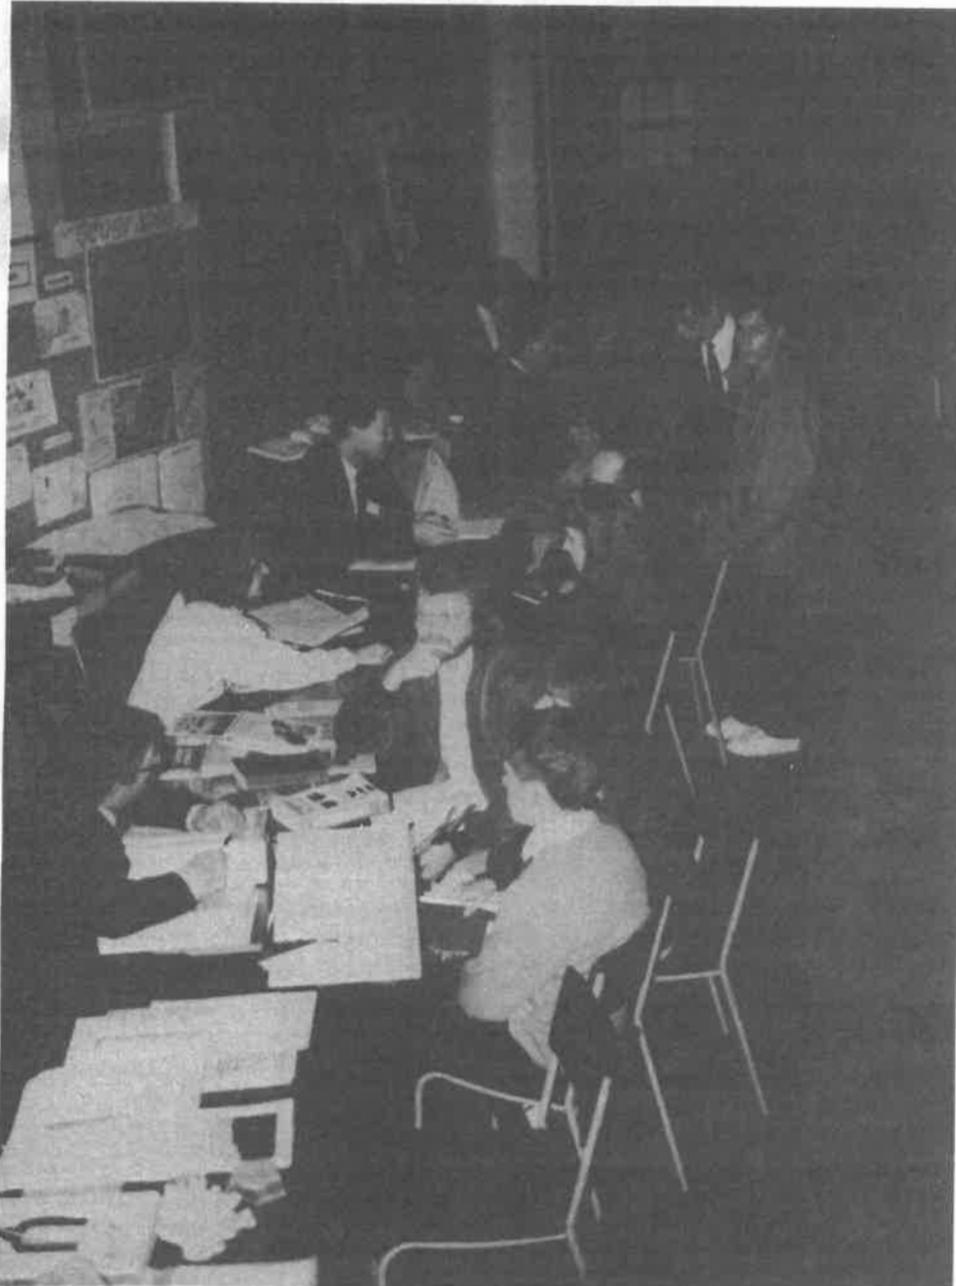

### Disco-Mania ...

March 26th was the much-awaited date when years 7, 8 and 9 held a Disco in the School Hall. The School hired a professional disc jockey and the Disco lasted from 6 pm to 9 pm. Pupils enjoyed themselves enormously and Graig School prefects were on hand with refreshments. The proceeds of the Disco went to the CDT Department which will enable the department to purchase extra necessary equipment.

### Congratulations

Congratulations go to Simon Standen of Year Ten who on the 28th April was presented with the prestigious "Philip John Memorial Award" in the Llanelli Town Hall. The award was for outstanding work in the community. Simon has been doing public duty work in Casualty, work in the wards and also general work with the St Johns' Ambulance Team. Well done, Simon!

### Forward Thinking ...

A highly successful consultation evening was held recently for Year 11 students and their parents. Graig School is proud of the range of courses it offers for post-16 education. Currently there are 27 'A' levels available in addition to CPVE, PLAW and GCSE courses.

Other important aspects of life in the Sixth-Form include opportunities to develop leadership skills, contribution to social, cultural and recreational activities and careful monitoring of progress through a structured programme involving students' Individual Action Plans.

Many students have indicated their intention to continue their studies at Graig School next September and the Headmaster and Staff are available to provide further advice if required.

## Harvest Home ...

The Rev. Raymond Lewis, of the Parish of Llanelli, addresses the school at last Autumn's Harvest Celebration Service. Parcels of food were later distributed to senior citizens in the area.  
Picture courtesy of the 'Llanelli Star'

### Quiz-Consuming ...

A team from Graig School was successful in reaching the finals of the Dyfed "Young Consumer of the Year" Competition. Three other Dyfed Schools were also represented in the final which was held at Trinity College, Carmarthen, on December 17th. Graig's representatives were Alison Lovelock, Helen Phillips, Anne-Marie Powell and Caroline Johns, all of Year 12. Graig faced Glan-Y-Mor in the play-off and Penweddig School, Aberystwyth, played Milford Haven School. It was a very close contest but Glan-Y-Mor's reactions on the buzzer were much quicker than Graig's in the final round and proved themselves worthy winners. They will now represent Dyfed in the regional competition later this year.

### Stage Struck ...

'All Together Now' was the request by Mr. George Hoare on the stage of the Theatre Royal, Drury Lane. And Graig pupils obediently took their curtain-call on the set of 'Miss Saigon'.

Octogenarian Mr. Hoare, a friend of Mr. Noel Rees, had conducted a party of Year 10 and 11 pupils backstage in one of the country's oldest and most famous theatres. Theatre archivist, Mr. Hoare, gave a fascinating glimpse into the history of the four theatres which have stood on the same site in Catherine Street - the back of the theatre is, in fact, in Drury Lane. Another highlight of the tour was sitting in the Royal Box and being taken into the Royal Retiring Rooms at the theatre where pupils all felt like Kings and Queens for a few minutes.

The tour was part of a London Theatre visit which also took in a performance of the play 'Our Town' starring Alan Alder at the Shaftesbury Theatre.

The Pupils are studying the play for G.C.S.E. and the no-nonsense interpretation was a great help to the students. Teachers Mrs. Watson and Mr. Noel Rees were then led to the ubiquitous McDonalds for a haute-cuisine supper before the return home.

### On the Wild Side ...

On Tuesday 25th February a group of Year 11 Science students visited Penscynor Wildlife Park as part of their GCSE Science Course. Guided by the Park's Education Officer, Mr Howie Watkins, the pupils spent a most enjoyable day looking at various topical environmental issues. These included the problems of cash crop-farming, the ethics and problems of using animals for medical research and the Columbian Education Initiative. Pupils also learnt about the pressures on endangered tropical plants and animals, the adaptation of organisms to the environment and the capture breeding programme of the Cotton-top Tamarin. Penscynor co-ordinates the 200 year-old captive breeding programme of the Cotton-top Tamarin, a small, squirrel-like monkey from South America which partially resembles a 'Gremlin-like' creature. There are only 300 of these animals left in the world, so this worldwide breeding programme is vital for ensuring the future safety of this animal. Year 11 returned to school full of enthusiasm for the conservation of the environment and with some sore 'gluteus maximus' from the use of the Alpine Slide. Naturally, a good time was had by all!

## Here and There ...

### Heads together ...

Congratulations to Caroline Johns and Conrad Rees on being chosen as Head Girl and Head Boy for 1992. Their deputies are Lisa Thomas and Matthew Harries.

### Good Morning, Nurse ...

Sixth-Form Prefect Catherine Smith was successful at an interview for entrance to the Prince Charles Hospital Nursing College, Merthyr Tydfil. After an intense and detailed interview and despite great competition, Catherine is delighted to have secured a place.

### Bear Facts ...

Along with so many others, Graig School joined in the BBC 'Children in Need' Appeal. Many varied events took place: a sponsored run by Year 7; a disco in the School Hall by Year 8; car washing by Year 9; Pudsey Bear Biscuits were made by the Home Economics Department; Year 11 organized Computer Games at lunchtime and Year 12 enjoyed a Sponge-Throwing Competition when Staff and Senior Pupils showed themselves as real drags! Many pupils attired themselves in both Fancy and not-so-Fancy dress and Rhian Daly and Rebecca Isaac took part in a sponsored netball shoot. Together with informal collections, over £600 was raised for 'Children in Need'.

### Fashionable Bath-Time ...

On Wednesday, 3rd December, pupils from years 10 and 12 accompanied the Textiles Department on a day trip to Bath. They visited the world-famous Costume Museum where they saw how fashions have changed through the ages.

The sartorial excursion ranged from the 1700s to the present day and proved an enlightening and enjoyable experience for all concerned.

'A' level students also visited the first house in the much-acclaimed Royal Crescent, the type of house featured in Jane Austen novels which are currently being studied. There was also an opportunity to view the 'Pump Room' which gives an ideal feel of the elegance of the period. The ancient Roman Baths were also visited and they form such an historical feature of such a marvellous city. Needless to say, a little time was also found for some Christmas shopping, in an interest-packed day.

### Concerted Effort ...

Sixth-Formers, Andrea Jones and Vivienne Jones, recently attended a Clarinet Workshop in Carmarthen, where they gained expert tuition from professional clarinet player, David Campbell.

### Lest We Forget ...

The annual Service of Remembrance was held in the Main Hall on Friday November 8th. Once again the School welcomed Dr Cledwyn Thomas as Principal Speaker who vividly held the attention of the two congregations concerning the work of the Royal British Legion.

Dr James and the School Orchestra were on top form with musical selections from Holst and Elgar and an appropriate poem was read by Mr Noel Rees.

### Christian Union ...

Christian Union Meetings are held at Graig School every Thursday in the Conference Room at 1.15 pm and last half an hour. Run by Sixth Form prefects Kirsty Thomas and Catherine Smith, the Christian Union welcomes a weekly guest speaker and pupils find their time together a very rewarding and fulfilling experience.

The number of pupils attending is not large but the group's number is gradually increasing. Guest speaker Mr Andy Roper of the Horizons Christian Group is to return monthly to the Graig School in order to form regular themes on different topics. He will also be able to get to know pupils on a more personal basis. All members of Graig School pupils and staff are cordially invited to come along to the weekly meetings.

### Tradition ...

The Traditional Service of Nine Lessons and Carols was held at Llanelli Parish Church on Wednesday, December 19th. Dr. Terry James, Mr. Alan Fewster and all the readers and choir members are to be congratulated on the sincerity and quality of their interpretation of the Christmas Story.

### Musical Notes ...

Brothers John and Paul Hooper were successful at the recent auditions held at the Education Centre in Ferryside for the Dyfed County Orchestra. John who plays the violin has been a member of two years' standing and Paul, who plays the Trombone, is a new member. Both brothers are members of the Llanelli Area Schools' Orchestra and the Graig School Orchestra.

### Emergency Aid ...

Congratulations go to members of Year 10 who were successful in achieving the "Three Cross Award" in Emergency Aid. The pupils were taught the basic methods of sustaining life, mouth to mouth resuscitation and the recovery position by two of the senior members of St John's Ambulance Brigade. The lessons were held as part of the compulsory PSE course, subdivided into sections such as Health Education and organised by Miss Sara Davies. Following weeks of intensive instruction, the students were finally examined and in January received certificates as proof of their new qualifications. They are now fully capable of administering first aid, if required, in any situation.

### Camping it Up ...

On Friday 7th February, a group of pupils from Years 7 and 8 visited the Urdd Centre at Llangrannog for the weekend. They were accompanied by Miss Jane White. During the weekend all sorts of activities were sampled. Pupils enjoyed horse-riding, roller-skating and walks on the coast or through the woodlands. There were facilities which included an indoor heated swimming pool and a gymnasium where the pupils were able to play several sports such as netball, basketball, volleyball, mini hockey and cricket. Pupils also made use of BMX bikes on a specially-constructed course. In the evenings pupils used the opportunity to mix with pupils from other schools when folk dancing, discos, quizzes, competitions and even singing around the camp fire took place. It proved to be a very enjoyable excursion for all concerned and one to which, no doubt, all pupils will look forward next year!

### LOVE Story ...

On Wednesday 26th February, members of Years 12 and 13 went to Milford Haven's Torch Theatre to see the Torch Theatre perform William Shakespeare's tragic love-story 'Antony and Cleopatra'. The actors put on a workshop beforehand which gave the audience a chance to find out about the characters in the play before watching the actual afternoon's performance. Graig pupils accompanied by Mrs Jean Thomas and Mr W Noel Rees, enjoyed the production which was performed in costumes of the 1940's and 1950's. The whole day was a memorable educational experience which helped students focus more clearly on the means of bringing Shakespeare's play alive

### Ideal Visit ...

A party of pupils from Graig School visited the Ideal Home Exhibition at Earls Court in London on Friday 20th March. They spent an interesting and enjoyable time looking around the various stalls. Later the party was taken on a tour of some tourist sites in the City. The party was accompanied by Mrs Caroline Burgess, Miss Sarah Davies, Mrs Susan Palmer and Mr Wyn Owen. Thanks to them for such an enjoyable visit.

## French Leave ...

The French connection with Llanelli's twin-town Agen was strengthened recently by French visitors to the Graig School. Above, Mme Brigitte Dzaiz is seen in conversation with 'A' level students, accompanied by Mrs Cecily Lloyd. Our Sixth Formers had completed work experience in Agen last October.

Pictured below, some French students take a closer look at the Graig School badge, worn by Helena Dunne.

Picture courtesy of the 'Llanelli Star'

### The Way We Are ...

by Miss Jane Rosser

In last year's Progress Report, Mr Phillip Wrentmore ably demonstrated that, despite extensive speculation regarding the future of Graig School, the message was not only 'Business as Usual' but 'Business is Prospering'. Speculation has finally ended and from September 1993, a Tertiary College will be established on this site to serve the Llanelli area.

Despite the previous uncertainty and the reality that after 1997 this school will no longer exist, this year business is not just prospering, but 'Business is Booming' at Graig Comprehensive School. In a country deep in recession this must be quite a feat. Perhaps we could offer some timely advice to the political parties on how to succeed in business prosperity.

Graig School has always taken pride in the fact that it is a community where commonsense and compassion count far more than rules and regulations and where people are more important than educational strategy. The most important resource in this establishment is the group of people within it. Consequently, this Progress Report focuses upon people rather than on innovations, and discusses the contributions made by pupils, teachers, parents and members of the community at large, to the life of the school.

Last August, Graig School lost the services of a man who had unselfishly given 37 years of his life to this school. After one year at the helm as Headteacher, Mr Dafydd Smith was forced to retire early due to ill-health. His immense contribution to this establishment will never be forgotten. His presence is sadly missed but we wish him every happiness and good health in his well-earned retirement. Diolch o galon Mr Dafydd Smith am eich caredigrwyd, eich rhadlondeb a'ch cyfeillgarwch dros y blynnyddoedd.

A successor was found to take over the leadership and the appointment of Mr Phillip Wrentmore as Headteacher reflected the depth of talent within the school. He is a man with a great vision for the future and who has clear ideas on the direction in which the school should progress.

Since the last Progress Report we have lost the services of Mr John Croot, Mrs Francis Richardson, Mrs Linda Sidgewick Mrs. Nicola Davies, Mrs. Susan Leah and Mr Chris Tubb from the Teaching Staff and Mrs Cheryl John from the Ancillary Staff. We thank them for their service to the school and wish them every success in their new posts.

Mr John Ellis was appointed as Deputy Headteacher; Mr Ian Etherington became Head of the Economics and Business Studies Department; Mr Mark Blackman joined the Science Faculty; and Mrs Helen Davies joined the French and Music Departments. In addition Mrs Margaret Webb joined the Welsh Department and Miss Pat Roberts replaced Mrs Susan Palmer for her period of maternity leave. Mrs Aelony Jones spent a brief period teaching in the Welsh Department. Mrs Kim Holt joined us as a technician in the Science Faculty and Mrs Gaynor Collins and Mrs Jane Morris provide their support in the Special Needs Department.

In October of last year we temporarily lost the services of Mr Alun Williams, due to a sudden and serious illness. Mr Williams has made a good recovery and has been able to re-commence his duties. During his absence, Miss Moira Evans was appointed acting Head of the History Department; Mr Hywel Nolan as a teacher within the department; and Mrs Caroline Burgess as acting Records of Achievement Co-ordinator.

We welcome two new members to the Governing Body, namely Mr Mervyn Christopher and Mr Bernard Williams.

There have been notable successes in the external examinations of 1991, at 'A' and G.C.S.E. level, and in the Certificate of Education and Certificate of Pre-Vocational Education courses. There are two achievements of note: Melissa Davies gained 8 A's, one B and one C grade at G.C.S.E. level. At 'A' level Gareth Leyshon gained outstanding results, namely three 'A' grades and one 'B'; he is now studying at Keble College, Oxford.

The Work Experience Programme continues to be a great success with Year 11 pupils. This year the privilege was extended to members of staff who spent their time at various establishments including the Hilton Hotel, DVLA, London Rubber Company, Tesco and East Dyfed Health Authority. A most valuable link has been established with British Steel, Trostre. Under the guidance of Mr. Wynne Owen and Mr. Dafydd Roberts Year 7 and 8 pupils took part in a cross-curricular project on the Trostre works. The work involved a number of subject areas and resulted in a display of pupil work at the plant, which was well-received and enjoyed by the employees.

The Music Department continues to flourish under the expert guidance and immense talents of Dr. Terry James. Once more this year we have enjoyed quality performances from members of the School Orchestra and the Junior Male Voice Choir. There have been two individual successes of note. Both Siân Thomas and John Hooper reached the final of the Llanelli Young Musician of the Year competition. John was also leader of the Area Youth Orchestra and a member of the Dyfed Schools Orchestra. 'The Thursday Club' was established. Meeting at lunchtime on Thursday, it provides our budding musicians with an opportunity to further their talents under Dr. James' guidance. The Graig 'Summer Serenade' continues to be a delightful evening of various musical items which provides a most welcome relaxation at the end of a rigorous school year.

Mr. W Noel Rees continues to instil his own unique brand of flair, commitment and enthusiasm into pupils who take to the stage and "Anne of Green Gables" proved to be yet another outstanding Graig production and was seen by over three thousand people.

The annual Harvest Celebration continues to prove successful. The Reverend Raymond Lewis gave the address at our service which was followed by the distribution of food parcels to members of the community. We are also grateful to Lt. Cledwyn Thomas for returning again this year to provide the address in our Remembrance Day Service. For the second year in succession we held a special Christmas Service in the delightful setting of Llanelli Parish Church.

For the first time in many years, a St. David's Day Eisteddfod was held in which pupils in Years 7, 8 and 9 competed. The day provided great excitement and generated a considerable spirit of competition. At the end of the day the larger number of pupils in Year 7 proved to be a deciding factor, resulting in a win for this year group. Year 9 was placed second and Year 8 third. We thank Mr. Dafydd Smith and Miss Bethan Clement for bravely agreeing to act as adjudicators; Miss Jane White for co-ordinating the competition; and many other staff for their hard work in making the day such a success. We now look forward to Eisteddfod Y Graig 1993 with renewed vigour.

On the sporting scene, Graig pupils continue to compete successfully and achieve excellence at the highest level. Fourteen girls were selected for the Llanelli Schools' Athletics Team, our Lower Junior and Junior girls' teams won the Llanelli Inter-Schools Cross-Country competition and our Under-14 hockey team was runner-up in the Llanelli Schools' Crime Prevention Tournament. In gymnastics, Emma Jones and Carly Thomas were selected for the Dyfed team. Janine White represented the Dyfed Netball team and Vicki Rosser swam for the Dyfed Schools' Team and competed in the URDD swimming finals.

The Year 8 Rugby Squad won the Llanelli Schools' Crime Prevention 7-a-side competition. Peter Griffiths, Sean Lloyd and Michael Buckingham played in the highly-successful Llanelli and District Schoolboys' Rugby Team and Michael Buckingham was awarded his Junior County Cap. On the Cricket field both the Under-12 and Under-14 teams reached the Llanelli area finals. Marcus Leaf and Wayne Law played for the County and West Wales and went on to represent the Welsh Schools' Under-13 team. Darren Thomas was selected for the Welsh Schools' Under-19 team and had an excellent season as a fast bowler. Christian Francis won a silver medal in the Welsh Inter-County Athletics' Championships and a bronze medal in the Welsh Inter-Counties' 1500 m Steeplechase. In the County Championship, Mark Evans won the Junior Boys' Shot and Stephen Edwards won the 80 m Hurdles. Stephen also won a silver medal in the Welsh Schools' Championship. Andrew Bowen won the Junior 1500 m setting a new County Junior Record. He recently represented Wales in the Cross-country Home Internationals in Scotland and came second in the Welsh team and twelfth overall in Britain. On the tennis scene Vivian Morgan represented Wales and at present he is the Welsh number one at Under-19 level for both singles and doubles. He has been selected to represent the Senior Welsh Squad in the British Championships.

It is not only our pupils that have displayed their sporting talents this year. It is said that 'life begins at forty' and indeed the continued success of the Staff Sports' Teams provides evidence for this. Both the staff cricket and hockey teams had resounding victories over the pupils.

There have been numerous extra-curricular activities during the course of the year. Support for the Urdd continues to grow. Graig, represented by Year 7, pupils came second in the Urdd 'It's a Knockout Competition'. Llangrannog continues to be a popular resort with junior pupils who also attended the Welsh Pantomime staged at Theatr Elli. There is also a Welsh Club in school which meets at lunchtime. In the recent Urdd Eisteddfod in Llanelli there were some commendable results. The roads of Llanelli will remain safe despite the new, young drivers on them because a group of our 6th form pupils recently won the Llanelli Road Safety Quiz, organised by Llanelli Borough Council.

There are two notable individual achievements this year - Andrew Keddie has achieved the Gold Duke of Edinburgh Award and Simon Standen has been awarded the Phillip John Memorial Award by the Llanelli Crime Prevention Panel. The latter award recognises Simon's outstanding contribution to the community in the field of First Aid.

The Christian Union continues to thrive under the leadership of Kirsty Thomas and Catherine Smith. A year ago a Crime Prevention Panel was established to raise awareness amongst pupils and offer the school's services to the community. Its success to date is due to the continued support of Mrs. Irene Clarke and members of the committee. Members of the panel with the support of Mr. Adrian Morgan displayed their dramatic and photographic talents by producing a video on car theft which won a Schools' Video Competition and a £100 cheque. Junior members of the panel have been involved in visiting and supporting the elderly in our community.

The environmental profile of the school has been raised with the development of a pond in the grounds. As part of 'Environment Week' a group of pupils supported by Mr. Dennis Phillips and Mrs. Awen Evans won an award for this venture. In addition a group of pupils supervised by Mrs. Jackie Watson planted bulbs in the vicinity of the school.

There have been numerous trips and visits of an educational, cultural and social nature. Mrs. Caroline Burgess took a party of children to Italy and Austria last July. The 6th Form has been afforded numerous opportunities to attend University Lectures and Careers' Conventions. The local area has been fully utilised with visits to places such as Llanelli Radiators, Penclacwydd, Buckley's Brewery, Pembrey Country Park and Trostre. There have also been visits further afield to Oakwood Park, Technique, St. Fagan's, London Theatre visits and even to the set of 'Pobl Y Cwm' at the BBC in Cardiff. Visitors to school have been numerous: an officer of Her Majesty's Prison in Swansea emphasised the unpleasant nature of prison life to young people and we received an impromptu visit from representatives of the Argentinian Rugby team prior to their World Cup game versus Australia in Llanelli.

Numerous charities have benefited from the efforts of pupils and staff. Examples of contributions to date are a sale of daffodils for the John Grooms Disabled Association - £50; Ambassador Sponsored Bike Ride for the Blind - £150; a collection for the R.S.P.C.A. - £200; non-uniform day for Comic Relief £250; a sponsored walk for the Rest Home, Porthcawl - £700; and activities for Children in Need - £730.

The Parents' Association continues to support the school fully, not only by organising fund-raising events but in providing support for school-organised functions. They have provided a most welcome 'cup of tea and biscuit' for 'parched staff' during our new style Parents' Evenings which now take place in the Main Hall. These evenings have proved a great success. The setting of the hall and the arrangement of staff in Faculty groups has instilled a great atmosphere of camaraderie. Complimentary letters from parents on this new format have also indicated the success of this new venture.

Our "Graig Gazette", continues to roll off the press. Indeed the second issue, which was used to provide the Annual Governors' Report to parents, recently won a "Times Educational Supplement" Award. We were the only school in Wales to achieve this and our success was duly noted in the national press.

Enough of the present, what of the future? One important development this year has been the restructuring of the management team. We have established a Senior Management Team consisting of the Headmaster, three Deputy Headteachers and two Senior Teachers which meets on a regular basis to evaluate progress to date and plan the way ahead. This is necessary step in the present educational climate of rapid change and new initiatives.

With the establishment of the Tertiary College on this site from September 1993, it is likely that this September will see our last Year 7 intake and by September 1997 the school will have been phased out - a sad thought indeed for a school which has been steeped in tradition for many years.

Let us however look on the positive side: it will not just be "Business as usual" in Graig until 1997 but we will continue to offer not only the same opportunities to our pupils as in the past, but also after improved opportunities and an improved quality of education. Developments at 16-19 in the school should enable a smooth transition to Tertiary education.

The most important resource we have is the people in this school. The School Staff is immensely dedicated and committed to its work. The staff comprises people who will be most affected by the reorganisation. Let us hope that the tradition of this school and the wealth of talent within it will be fully utilised to establish a prestigious Tertiary College in Llanelli.

The young people of Llanelli are part of the future wealth of this country and in establishing the Tertiary College on this site, let us ensure that we provide them with a quality education which includes the relevant challenges and opportunities that they deserve as human beings.

## Prizes Galore ...

Gareth Leyshon is presented by Guest speaker, Mr Powys Jones, with one of the seven prizes he gained at this year's "Presentation of Awards" Ceremony.

Lisa Thomas of Form 6 presents a cheque to Mr James, President of Gateway Mentally Handicapped Club, Llanelli, as the result of Graig School Sponsored Walk. Also pictured is Mr James' son.

## Awards Ceremony ...

Graig School held its Annual Presentation of Awards Ceremony (Prize Day) in the school's main hall on Wednesday evening, April 8th.

Awards were presented to pupils in all years in recognition of their attainment and progress during the last school year. It was a great pleasure to renew acquaintances with those students who had left to pursue their education at other establishments and returned to receive the Annual Endowed Awards. During the course of the evening, the school orchestra performed to its usual high standard under the leadership of Dr Terry James and solo musical items were provided by John Hooper and Vivienne Jones.

The Guest of Honour was Mr Powys Jones and it was a great delight for Mr Powys Jones to return to his old school and deliver his address. Mr Jones also presented the awards to the pupils.

Miss Jane Rosser presented a comprehensive Progress Report highlighting many of the school's successes during the previous year and the Headmaster Mr Philip Wrentmore, issued a warning with regard to government's proposed league tables and went onto consider the real value of education. Mr Wrentmore also made reference to the establishment of the new Llanelli College on the Graig site and the need for full co-operation to ensure its success.

The school's Parents' Association is thanked for providing the awards once again this year.

## Sports' Congratulations to ...

Vicki Rosser of Year 8 who has been selected to swim for Dyfed Schools in the National Welsh Championships at Nant-Y-Glo in Gwent.

Samantha Marks and Louisa Davies of Year 8 who have been awarded prizes for their contribution and good effort in a Crime Prevention Competition which took place during the summer.

Robert Stroud, Lee Sweetman and Darren Kolzalski recently received their certificates in Life-Saving.

Congratulations to Jamie Bowen who has gained his Under 14 County Cap for Dyfed in Soccer.

The Under 14's Netball Team which won the Crime Prevention Tournament.

The Lower Junior and Junior Girls' Cross-Country Teams which both won recent competitions.

## Ann with an "E" ...

The School Musical "Anne of Green Gables" certainly captured the hearts of Llanelli audiences when it was staged at Theatr Elli. True to form, Graig School came up with something different for local theatre-goers and over a 150 pupils pulled magnificently together to create a memorable evening of wholesome entertainment.

## Talking Heads ...

A Graig team of Sixth-Formers recently took part in the "Youth Speaks" Public Speaking Competition. Organised by Llanelli Rotary Club, the event took place in the Council Chamber of the Town Hall.

Graig Team member Caroline Johns proposed that "Man is bent on Self-Destruction". Lisa Thomas opposed the motion and Alison Carter acted as Chairperson for the team. An interesting, light-hearted and worthwhile evening was enjoyed by all and each competing team showed good spirits and sportsmanship. Congratulations are sent to Bryngwyn Comprehensive School on their splendid victory.

## Trials of Life ...

Eight Sixth-Formers have formed, or rather revived, the Debating Society. The Society helps get the message across about various important issues in our world today. Aimed towards the younger members of Graig School, the society has been named "The Trials of Life." This includes topics of everyday concern and recently "Smoking" was brought into sharp focus before the lower years of Graig School when they participated in a smoking experiment. Further issues will deal with "Animal Cruelty" and "Child Abuse". With such enthusiasm greeted by the Junior members of the School, Senior pupils will soon be given the taste of the various mature topics being covered by the Society.

## On Display ...

Sixth Formers Lee Sweetman and Glyn Edwards exhibited some of their 'A' Level Design and Technology work at the Stradey Park Hotel on Wednesday, 13th November.

Their contribution was part of an exhibition whose aim was to raise people's awareness of the possibility of establishing a Technology Centre in Llanelli which would be a considerable asset to both primary and secondary schools in the area.

All those who attended the exhibition were much impressed by the diverse range of work on display by pupils of local schools from the ages of 5 - 18. The exhibition further demonstrated the growing partnerships between Education and Business in the Llanelli area.

## Stamp-ed ...

After last year's success of collecting used postage stamps for the Children's Liver Disease Foundation, this year Graig pupils are hoping to lick last year's record by turning their used stamps to help provide playground equipment for Romanian orphans. This year's appeal has been initiated by Radio 1's "Breakfast Show".

## TV Stars ...

A welcome was very much in order on November 12th when an old boy of the school, Mr Alun Gibbard, visited his old Alma Mater with a Television Crew to make an education feature for the S4C programme "Heno".

A further surprise was in store when Mr Glynog Davies arrived as the item's presenter. Memories flooded back to Mr Davies of the happy times he spent when teaching at the School and he was delighted to learn from Mr Noel Rees that the legendary Physics Lab Tea Group is as strong as ever!

Mr Alun Gibbard has worked for ten years with the Media and he said that he enjoys the everyday challenge of the work. The topic in discussion concerned the role of parents in School Management. Information was recorded from various sources: parents, teachers and the Headteacher. Members of the "Heno Team" thanked all concerned for the friendly and informative welcome which they received.

**BARCLAYS**

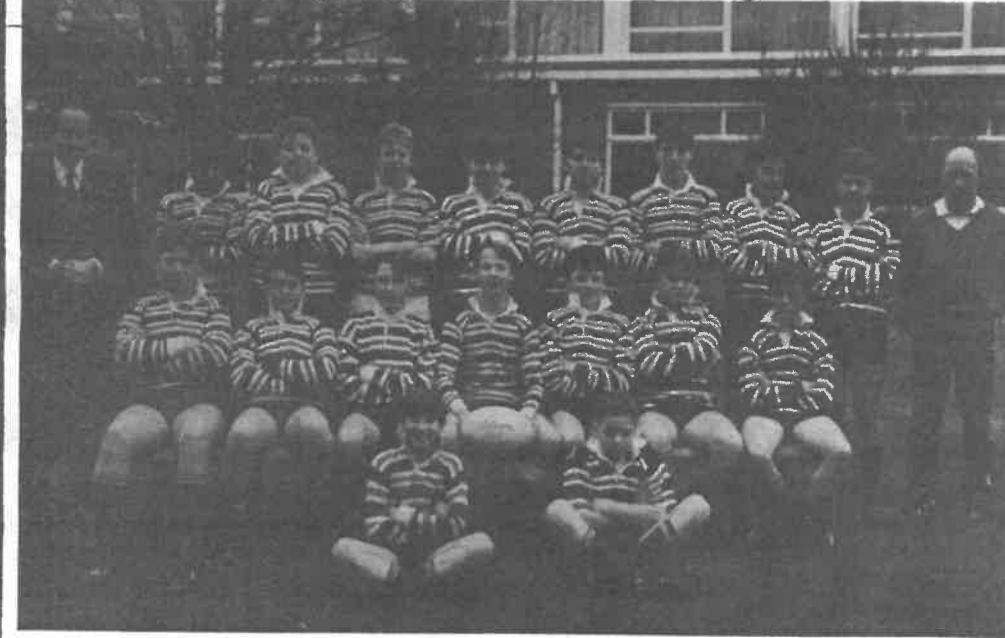

## Medallion Man ...

Andrew Bowen of Year 9 shows his medals to Mr Goronwy Owen having been successful in Cross Country events. Andrew was selected to represent Wales against Scotland in the Junior Boys' section. Andrew was placed second of the Welsh runners and twelfth overall in the British Isles results.

## Graig Rugby goes Marching On ...

Picture courtesy of Brian Jennings, Esq.

Graig Under 14's Rugby Team playing their ninth game in the Welsh Schools' Rugby Union National U'14 League against a strong Dyffryn Team, recorded another excellent win defeating a very strong Dyffryn team by 22 points to 16.

Dyffryn won the toss and decided to play into the strong wind in the first half. Dyffryn made an excellent start scoring a converted try under the posts in the first few minutes. This clearly shook the Graig team and spurred players into action. Roger Worsley, with one of his bulldozing runs, crossed the line to bring Graig back into the game. The Graig team was now playing good rugby and from the lineout the ball was worked out to Andrew Bowen who made a half-break and raced to the try line. The Graig players were keen to put more points on the board with the first half wind advantage and kept the game in the Dyffryn 22. Once again Roger Worsley drove over the line to make the half time score 12 - 6 to Graig.

Dyffryn in the second-half playing with the wind, put a lot of pressure on the Graig try line and scored a converted try to bring the score to 12 all.

The Graig team, knowing that their backs were up against the wall, had to pull out all the stops. The forwards drove up to the Dyffryn line and Nathan Bonner-Evans forced his way over the line to put Graig back in the lead. Graig School now on top and from scrum on the Dyffryn 22, scrum half Marcus Leaf ran across the pitch dummying the outside half and centre to put Andrew Bowen through the defence without a finger touching him. Back again came Dyffryn with a fine try scored by their left wing in the corner to put the score at 22 points to 16. Soon afterwards the final whistle blew with Graig victorious once again.

On reaching the last eight in Wales, Graig came up against a well-organised and bigger team at Pontypridd. The game started very dramatically when in the first five minutes Andrew Bowen scored from a well-worked penalty move. This followed by a Marcus Leaf penalty gave Graig a 7 - 0 start.

The Pontypridd team struck back just before half-time with a score and they started the second half by piling on the pressure and gradually built up a 10 - 7 lead. Marcus Leaf scored a great individual try to regain the lead for Graig but Bryn Cylunog struck again. With the score at 16 - 11 to Bryn Cylunog, Graig hopes were dashed when Mark Standen crossed the line but the referee disallowed the score.

Final Score Graig 11 - Bryn Cylunog 16.

The team played very well throughout the tournament and they are a credit to both the School and Llanelli as a whole.

## Jolly Hockey Sticks ...

At a Hockey Tournament held at Glan-Y-Mor School on March 11th, four Teams, including Graig, took part. The other teams were Glan-Y-Mor, Coedcae and Bryngwyn.

The first match played was against Coedcae. Captained by Rosie Dew, this game was partly one-sided as the Graig Team had the majority of the ball. Although that was the case, the Graig Team just couldn't get it through the goal posts, resulting at the end of the match in the score being 0 - 0.

The second match was against Bryngwyn School. The Captain was Helena Dunne. Bryngwyn has already won one match. If Graig had to win the tournament, school would have to beat Bryngwyn. This game was a harder one as the two teams were about the same level of ability. During the first half of the match, Bryngwyn scored a goal. In the second half, Graig kept on just missing the goal, but they were fighting back hard. The match ended by Bryngwyn winning 1 - 0.

In the last match, Graig played the home team Glan-Y-Mor. The captain was Joanne Harding. Graig had to win this game to become second in the tournament. In this game Graig played at its very best always going for the ball, the forwards playing extremely well, getting the ball nicely into the circle. But the Glan-Y-Mor team had good defenders who neatly stopped Graig scoring a goal. Defenders for the Graig team also wouldn't allow Glan-Y-Mor any chance of scoring.

At the end of the first half of the match, the score was getting very worked up. In the second half, this time playing with the wind and not against it, Graig played well. Graig was given a short corner which was taken by Amie Wiseman. Amie hit the ball which was received by Joanne Harding. Joanne tried to hit the ball into the goal but failed. Glan-Y-Mor defenders got the ball and tried to hit the ball and get it away from the circle. Graig managed to get the ball back which was hit by one of the forwards to Sian Thomas who hit the ball into goal. It was an excellent goal and was very well played by Sian.

The Graig Team was very pleased and got the ball into the circle again, Rosie Dew just missing goal. But, when the whistle blew, the fact that Rosie had missed didn't matter. Graig had won the Match 1 - 0 and had been placed second in the tournament.

## Seven-A-Side ...

Saturday March 28th saw the rebirth of the Llanelli Intercontinental Schools Sevens' Competition. Over 50 teams took part and some teams came from as far a field as France and Scotland.

The Graig Senior team carried the flag for the Llanelli Schools being the only winners from the groups going on to the Quarter Finals.

In their first match Graig were drawn against a powerful Cwmtawe team who were fancied to go through to the final stages of the competition, but the Graig team put on a final performance beating Cwmtawe 16 points to 12. Scorers were:- Lee Sweetman, Gareth Griffiths and Conrad Rees 1 try each, Peter Griffiths 2 conversions.

In the second game the Graig Players overcame another strong team from Brynteg by 20 points to 16. Scorers were:- Conrad Rees, Ceri Williams 1 try each, Peter Griffiths 2 tries and 2 conversions. Playing their last game in the Group, Graig beat Dyffryn Taf by 10 points to 8. This was a nerve-testing game with Graig 8 points down in the 2nd half coming back to win by 2 points after a Dyffryn player was sent off. Scorers were:- Gareth Griffiths and Michael Buckingham 1 try each, Peter Griffiths 1 conversion. In the quarter finals Graig were drawn against Maes-Yr-Yrfa. Maes-Yr-Yrfa were quick to score and were 12 points in front. In the last few minutes Graig were 6 points down after a Peter Griffiths try and conversion. Graig crossed the Maes-Yr-Yrfa try line to draw level but this try was not awarded as it was adjudged to have touched the dead-ball line. After this the final whistle blew and the Graig run of success had come to an end and they were out of the Competition. The team can be proud of their performance on the days.

## Cross-Country ..

The Llanelli Schools' Cross Country Championships was held at Pembrey Country Park. The Lower Junior and Junior Girls' Teams were successful in winning their team events. Toni-Ann Harries, Lisa Price, Emma Jones, Lucy Harries and Tina Calford were selected to represent the Llanelli Schools' Team in the Dyfed Championship.

## Gymnastics ...

The Llanelli Schools' Gymnastic Finals were held at Glan-Y-Mor Comprehensive School. Two of our girls, Carly Thomas and Deborah Congdon, were selected for the Llanelli Schools' Gymnastic Team to compete in the Dyfed Championship at Pembroke School.

## Netball ...

The Annual Crime Prevention Tournament was held at Coedcae Comprehensive School and each of the seven secondary Schools competed. The Crime Prevention Tournament is probably one of the most exciting contests as each school plays each other and participates in the competition.

Graig's first match was against St John Lloyd and each of our girls played really well and received a win. The second match versus Bryngwyn also resulted in a win for Graig but against St Michael's School, our players sadly lacked a little in concentration and failed to succeed. Unfortunately, Graig lost this game by three goals to four.

Our next opponents were Stradey and the Graig players were determined to do well after their unexpected defeat by St Michael's. Each of our players played superbly and received another win.

Graig's penultimate match was against Glan-Y-Mor and all players were determined to win. Everyone played well as individuals and as a unit and Graig recorded another win.

The last match opponents were Coedcae. To win the tournament Graig had to secure a victory against Coedcae. This was no easy task as Coedcae's team had some very good players. Both teams played excellent netball but fortunately Graig played the more skillfully and succeeded in beating Coedcae. Obviously our team members were delighted with their victory as winners of the tournament.

The Graig Captain, Hannah Williams, was presented with the 'Winners' Shield' by Mrs Sheila Thomas, Chairman of The Crime Prevention Panel.

Graig Team Members were - Joanne Harding, Suzanne Lawson, Emma Jones, Lucy Harries, Amy Wiseman, Hannah Williams, Laura O'Sullivan.

### Disco-Girls ...

The Urdd Eisteddfod Disco team shape-up on the front field. From left to right : Janette Davies, Lisa Pollard, Amy Wiseman, Lucy Harries, Hannah Williams, Joanne Harding, Kate Lewis and Carly Rees.

Picture courtesy of the "Llanelli Star"

### All Change ...

From next September there will be a change in the school day to provide 5 lessons each of 55 minutes instead of the current 35 minute lessons. Changes will be introduced this term on 6th July in preparation for the next school year. This will not alter the starting and finishing times of the school day for the 1992 - 93 Year.

### Hair-Raising Becky ...

Suffering for her art - Rebecca Onslow gets her tresses trimmed by fellow actor Wayne Evans in preparation for the title role in the School's musical, "Anne of Green Gables". Supervising the snippy scissors is Drama teacher, Mr W Noel Rees, who commented, "Hair today, gone tomorrow!"

Picture courtesy of the "Llanelli Star"

### Onward We Go ...

Congratulations to Conrad Rees, Nicola Trow, Philip Esney and Faith Thomas who last week won the second round of the Dyfed Road Safety Quiz. (See Page 2). They competed against a team from Cwrt Henri and produced an excellent win. They now go on to a final at Dyfed Police Headquarters in early June where they will meet teams from Pembrokeshire and the Carmarthen areas.

### "What Next?" ...

Graig School held a Mock Election on Wednesday 8th April. The candidates were from Year 12: Lisa Thomas, Labour; Caroline Johns, Conservative; Philip Esney, Liberal Democrat; Andrea Jones, Plaid Cymru; Mark Williams, Monster Raving Looney Party and from Year 9 Hywel Thomas, The MOO Party! The candidates addressed the pupils with their manifestos on Tuesday afternoon prior to the Mock Election on Wednesday morning.

Mr Barry Harding, Acting as Returning Officer announced the following results: Philip J Esney (Lib Dem) 20; Caroline A Johns (Conservative) 33; Andrea Jones (Nationalist) 27; David Howell Thomas (MOO) 27; Lisa Jane Thomas (Labour) 53; Mark Williams (Monster Raving Loony) 320; Spoiled Votes 17; Total votes - 497

### Open House ...

A group of Year 12 students, accompanied by Mr Anthony Harries and Mrs Rosemary Williams, attended the Open Day at Cardiff University last week. All departments of the University were open for student visits together with the Students' Union and the Libraries. Lectures, displays and other activities were all laid on by the University in order to give the visitors a taste of College life. The visit provided a pleasant, enjoyable experience enhanced by both the good weather and by meeting former students from Graig School.
